

A-Level Post-Results Services – Student & Parent Information

The Exam Boards offer a Reviews of Results (RoRs) service for the purpose of addressing concern about results. The RoRs service applies to all written exams and language oral exams. Art exam marks cannot be reviewed. Coursework marks in any subject cannot be reviewed. The range of post-results services offered is as follows:

Clerical re-check – all marks given by the examiner are added up to check that they agree with the initial result. This process is carried out on all units that contribute to the final A-Level grade. This process does not involve any review of marking.

Priority review of marking - a paper is reviewed by a different examiner to ensure that the original examiner applied the agreed mark scheme correctly. Any errors found through review (i.e. insufficient marks awarded in the initial marking or too many marks awarded in the initial marking) will be corrected. Revised marks and, if appropriate, a revised grade will be issued and the original mark and grade withdrawn. *Usually* completed within 15 calendar days.

Standard review of marking – as above but *usually* completed within 20 calendar days.

Priority photocopy / Access to Scripts – This service allows you to request a copy of a marked exam paper. Scripts do not have examiner annotation on them, but you can see the marks.

A review of marking may result in marks and grades going up or down and students are advised to seek advice from the Exams Officer or Subject Leader before requesting a review.

In general terms, a review of marking should only be considered if the original marks awarded are very close (i.e. one or two marks) to the next grade boundary. If a review of marking results in a lower grade, the original mark **cannot** be reinstated. Seek Guidance from the Exams Officer or Subject Leader if you are unsure about which exam paper(s) you wish to have reviewed.

Exam Boards charge for the services listed above and a summary of fees are detailed on the application form.

An A-Level RoRs application form is included in your A-Level results envelope. Consent must be given by the student (unsigned applications or forms signed by a parent cannot be processed) and payment must be submitted with the completed application form. Payment can be made by any debit/credit card except for American Express but **cash will not be accepted**. All card transactions will be processed through the School's ParentMail system at a payment desk in the Chill; parents will require their login and card details. If you have any queries regarding your ParentMail account, please contact the School via Tripsandpayments@bourne-grammar.lincs.sch.uk as soon as possible.

A refund of the review of marking fee is issued if the **grade** of an exam paper or overall A-Level **grade** changes as a result of the review. All review of marking outcomes will be emailed and email contact details must be included on the application form.

Please contact Mrs Revell via ExamsOfficer@bourne-grammar.lincs.sch.uk with any queries regarding results, grade boundaries or enquiries about results.
