Admissions Policy for 2027 Intake

Introduction

1. Bourne Grammar School is a mixed selective Academy for students aged 11-18. The School's Board of Trustees is the Admission Authority for Bourne Grammar School. All decisions about admissions, including this policy, are determined by the Board of Trustees.
2. The Admission Authority of the School has drawn up this policy. Prior to the determination of this policy, the Board of Trustees has consulted in line with its legislative responsibilities.

Published Admission Number (PAN)

1. The PAN is the minimum number of pupils that must be admitted if sufficient applications are received.
2. The School's PAN for Year 7 is 240 pupils per year.

Minimum Standardised Qualifying Score

1. For entry into Year 7 at transition from Primary to Secondary, a pupil must achieve a minimum standardised qualifying score of 220 in the Lincolnshire Consortium of Grammar Schools ("LCGS") 11+ examination.
2. The minimum standardised score for entry is agreed upon by all schools within the LCGS and published on their webpage.
3. For in year entry into Year 7, a pupil must achieve a minimum standardised qualifying score in a LCGS nationally standardised test. The minimum standardised score for entry is agreed upon by all schools within the LCGS and published on their webpage.
4. For in year entry into Year 8, 9, 10 and 11, a pupil must achieve a minimum standardised qualifying score in the test. The minimum standardised score for entry is agreed upon by all schools within the LCGS and published on their webpage.

Allocation of Places for years 7-11

1. A pupil must achieve at least the minimum standardised qualifying score for entry in the examination or test to be eligible for a place at the School.
2. A preference for the School must have been expressed on the application form, or the School must be named on the Education, Health and Care Plan sent to the pupil's home Local Authority.
3. In accordance with legislation, the allocation of places for pupils with an Education, Health and Care Plan naming the School in the plan will take place first (Children and Families Act 2014).
4. Remaining places will be allocated in accordance with this policy.

Oversubscription Criteria

If the number of applications from remaining pupils, at the deadline of application for transition to secondary school in Lincolnshire or for in year places, at the date of application, who achieved the minimum standardised qualifying score, exceeds the number of places available, offers of places will be made following the criteria listed below in order of priority:

1. Looked After Children (LAC) and Previously Looked After Children (PLAC), including those children who appear to have been in state care outside of England and cease to be in state care as a result of being adopted (*see note 1*)
2. There is a sibling (*see note 2*) on roll at the School at the time of application.
3. Children of staff (*see note 3*)
4. 35 places available to students who are eligible for the Pupil Premium (PP) (*see note 4*) or to children whose parent(s)/guardian(s) are serving in the regular UK armed forces, to the children of regular armed forces personnel who were serving in the past 6 years, or to children who are in receipt of a pension under the Armed Forces Compensation Scheme and the War Pensions Scheme because their parent(s)/guardian(s) died on active service with the UK armed forces (*see note 5*).

If Pupil Premium applications exceed 35, places will be prioritised for those living closest to the school, measured in a straight-line distance from the child's home address to the school's main entrance.

5. After applying criteria 1–4, the next 24 places will be allocated to the highest-ranking applicants by standardised score who live within a 15-mile radius of the School. Applicants already allocated a place under criteria 1–4 will not be included in this group.
6. Any remaining places will then be allocated on the basis of distance from home to the School, with priority given to those living nearest (*see note 6*).

Tie-breaker

1. The oversubscription criteria are listed in the order we apply them.
2. If it is necessary to distinguish between more than one applicant in any criteria, the next criteria will be applied until the tie-breaker is used.
3. Tie breaker: If two or more children are tied for the last place a lottery will be drawn by an independent person, not employed by the School or working in Children's Services Directorate at the local authority.

Definitions and Notes

1. Looked After Children (LAC) and Previously Looked After Children (PLAC)
 1. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the [Children Act 1989](#) at the time of making an application to a school.
 2. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
 3. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or

special guardianship order). This includes children who were adopted under the [Adoption Act 1976](#) (see section 12 adoption orders) and children who were adopted under the [Adoption and Childrens Act 2002](#) (see section 46 adoption orders).

4. Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by Section 12 of the [Children and Families Act 2014](#). Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.
 5. Section 14A of the [Children Act 1989](#) defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
2. Sibling
 1. A full sibling, whether or not resident in the same household.
 2. Another child normally living for the majority of term time in the same household, where an adult in the household has parental responsibility as defined by the [Children Act 1989](#). Or any child in the household where an adult in the household is defined as a parent for the purposes of Section 576 of the [Education Act 1996](#).
 3. In the case of siblings in the same year group, where there is only one place available in the School, all will be considered together as one application. The School will be allowed to admit the students as one application.
 3. Children of Staff
 1. The Admission Authority give priority in their oversubscription criteria to children of staff in either or both of the following circumstances:
 1. Where the member of staff has been employed at the School for two or more years at the time at which the application for admission to the School is made, or
 2. The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
 4. Pupil Premium
 1. Students who are eligible for this criteria are those who have been registered for Free School Meals at any point in the six years prior to the closing date for application for a school place – 31 October in the year prior to entry.
 2. Parents of students who are eligible for Pupil Premium must have answered 'yes' to the Pupil Premium question on the school's 11+ Registration form (administered by Exams+)
 3. The School requires parents to request that their child's primary school provides verifiable evidence of Pupil Premium eligibility or that they provide the School a copy of their certificate/letter of Pupil Premium eligibility from their local Council no later than 31 October in the year prior to entry.
 4. The School reserves the right to withdraw the offer of a place if the offer has been made on the basis of incorrect, fraudulent or a misleading application.

5. Service Families

Services pupils are defined by receipt of the Service Pupil Premium which is given if they meet one of the following criteria:

1. one of their parents is serving in the regular armed forces (including pupils with a parent who is on full commitment as part of the full-time reserve service)
2. they have been registered as a 'service child' on a school census in the past 6 years.
3. one of their parents died while serving in the armed forces and the pupil receives a pension under the Armed Forces Compensation Scheme or the War Pensions Scheme.

4. one of their parents is in the armed forces of another nation and is stationed in England.

6. Distance to School
 1. The nearest address to the School is found by measuring the distance from your address to the School by straight-line distance. Straight-line distance is calculated electronically to three figures after the decimal point (e.g. 1.543 miles) by Lincolnshire County Council school admissions team from the Post Office Address point of the home to the Post Office address point of the School. Admission priority will be given to the child living nearest the School.
 2. The home address is considered as the address where the child lives for the majority of term time with a parent as defined in section 576 of the [Education Act 1996](#).
 3. Where a child lives normally during the school week with more than one parent at different addresses, the home address accepted for the purposes of school admissions will be the one where the child spends the majority of term time.
 4. If a parent can show that their child spends an equal amount of time at two addresses during school term time with a parent, they can choose which address to use on the application.
 5. If a parent has more than one home, we will accept the address where the parent and child normally live for the majority of the school term time as the home address.

Year 7 Admission

1. Arrangements for applications for places in Year 7 at Bourne Grammar School will be made in accordance with Lincolnshire County Council's co-ordinated admission arrangements.
2. Parents resident in Lincolnshire can apply online at www.lincolnshire.gov.uk/schooladmissions, they can also apply by telephone, or ask for a paper application form, by telephoning 01522 782030.
3. Parents resident in other areas must apply through their home local authority.
4. This School will adhere to the timescales outlined in the Lincolnshire County Council coordinated admissions scheme available at www.lincolnshire.gov.uk/schooladmissions for these applications and the relevant Local Authority will make the offers of places on our behalf as required by the School Admissions Code (2021).
5. In year admissions are dealt with in accordance with the mid-year section below.

Testing for Admission for Primary to Secondary Transition

1. The examination is taken in the September of Year 6 and may only be taken once at a school that is a member of the LCGS.
2. Attainment of the minimum standardised qualifying score in the examination will not in itself result in the offer of a place at the School but will enable a pupil to be considered for a place at the School in accordance with the admissions criteria set out in this policy.
3. Parents who wish to enter their child for the examination should register with the School during the Spring Term (January to March, please see the School's website for the exact closing date) when their child is in Year 5.
4. Registration for the examination does not constitute an application for a place at the School, which must be made through the home Local Authority of the child.

5. The School will make appropriate arrangements for those pupils where English is an Additional Language or for those who have Special Educational Needs.

Reserve Lists

1. A child will only be added to the reserve list if they have achieved the required standard in the selection tests or have been deemed qualified by the independent appeal panel.
2. For admission into the intake year the admission authority for this School will operate a reserve list. In the normal admissions round if we refuse a place at our school your child is automatically placed on the reserve list, unless you have been offered a higher preference school.
3. This list is kept in the order of the oversubscription criteria, as required by the School admissions code.
4. Children can move up and down the list depending on where the other children are ranked against the oversubscription criteria at the point of offering a place.
5. The admission authority must not take account of the time you have been on the list when allocating places.
6. For the intake year the list is held by the Local Authority School Admissions Team until the end of August. After this, the school keeps this list until (December 31st of the admitting year/another time). Potential students' names will be held on the waiting list from the relevant allocation of places date until the end of Year 9.
7. Following this, unsuccessful parents may elect to place their child's name on the School's waiting list. If a place becomes available at the School, the place will be allocated in accordance with the over-subscription criteria.

NOTE: Criterion 5 in the Oversubscription Criteria will only be used for application for transition to secondary school from primary and will be excluded for all applications for in-year places.

Mid-Year Admissions

1. The Admissions Authority will accept admissions into other year groups if there are places available and your child has qualified. If there are more applications than places then the oversubscription criteria will be used to decide who should be offered the place. If there are no places to offer, you will be informed of your right of appeal.
2. For mid-year admissions into Year 7, pupils must achieve a minimum standardised qualifying score of 220 in the Lincolnshire Consortium of Grammar Schools ("LCGS") 11+ examination.
3. All students in Years 8-10 who require a mid-year Admissions Test, will be provided with an age-appropriate Cognitive Ability Test (CAT) provided by GL Assessment. The candidate must attain a minimum score of 112. If there are no places available, the candidate's name will be placed on the confidential reserve list, ranked according to admissions criteria for entry to Year 7.
4. Any parent wishing to arrange a mid-year test should, in the first instance, contact admissions@bourne-grammar.lincs.sch.uk to request a registration form.
5. Where the Admissions authority are aware that a candidate is newly arrived in the UK, arriving within 12 months of registering for the Admissions Test, and where English is not the student's first language but an additional language, students may, at the discretion of the Admissions Authority, be provided with the provision of 25% additional time in their admissions test.

Sixth Form Admissions

1. All applicants (internal and external) need to meet the School's overall academic standards for admission to the Sixth Form and additionally any specific requirement for the particular subject. The entry criteria for the Sixth Form are published in the Sixth Form Prospectus each year. To gain entry, students are required to achieve the overarching entry requirements and the subject specific entry requirements.
2. The PAN for Year 12 is 50 places (PAN is the minimum number of places available for external applicants).
3. If there are more applicants than places available, then applicants will be offered places in accordance with the oversubscription criteria detailed below:
 1. Looked After Children (LAC) and Previously Looked After Children (PLAC) including those children who appear to have been in state care outside of England and cease to be in state care as a result of being adopted (IPLAC) (1)
 2. Students who are current Year 11 students at Bourne Grammar School
 3. The highest grade achieved in the relevant subject or subjects, or for those subjects not available at GCSE or equivalent, a relevant subject specified in the School's Sixth Form Prospectus for the relevant year of entry
 4. The highest average points score achieved across all GCSE subjects taken by the applicant
 5. Straight line distance from home to the School, with the applicant living nearer to the School having priority. This would be the tie-breaker if necessary.

Children of UK Service Personnel (UK Armed Forces)

1. In order to support the military covenant aimed at removing disadvantage for UK service personnel (UK armed forces), and Crown servants returning from abroad the following arrangements will apply.
2. For families of UK service personnel with a confirmed posting to the area, or crown servants returning to live in the area from overseas, the Admissions Authority will:
 1. Process an application in advance of the family arriving in the area provided it is accompanied by an official letter that declares a relocation date and a Unit postal address, intended address or quartering area address to use when considering the application against the school's oversubscription criteria.
 2. Accept a Unit postal address or quartering area address for admissions purposes for a service child where the parent requests this
 3. The Admissions Authority will not refuse a service child a place solely because the family does not have an intended address or does not yet live in the area.
3. Evidence of an intended address will be required such as tenancy agreement, or mortgage statement. Please contact the school for more details.
4. For late coordinated applications and midyear applications supported by the appropriate military documentation, we will aim to remove any disadvantage to UK service personnel (UK Armed Forces). The trustees will consider whether:
 1. An application from that address would normally succeed in an oversubscribed year
 2. There is any child on the reserve list with higher priority under the oversubscription criteria
 3. The prejudice from admitting an extra child would be excessive.

5. The Admissions Authority have discretion to admit above the admission number in these circumstances if they wish but are not obliged to do so. It may be that the Admissions Authority still cannot admit because of organisational or curriculum difficulties within the school. As Bourne Grammar is selective, the child must have qualified as well as live within the distance of the last child admitted in the last admission round that was oversubscribed on offer day.
6. If a place is refused, you will be informed of your right of appeal.

Admission of Children Outside Their Normal Age Group

1. Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.
2. Parents wishing to make these requests must contact their home local authority for guidance on the procedure to follow. Parents resident in Lincolnshire should call 01522 782030 or email schooladmissions@lincolnshire.gov.uk for advice on the procedure to follow.
3. It is important for parents to note that they will have the opportunity and responsibility to provide whatever evidence they wish to support their request.
4. This school will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned.
5. This will include taking account of:
 1. the parent's views;
 2. any available information about the child's academic, social and emotional development;
 3. where relevant, their medical history and the views of a medical professional;
 4. whether they have previously been educated out of their normal age group;
 5. any evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely
 6. the views of the head teacher.

Appeals

1. In all cases where a place is refused at a school the applicant will be informed of their right of appeal to an independent panel. The decision of the independent panel is binding on all parties.
2. Details of how to appeal a decision to refuse admission will be communicated to the applicant at the time of the refusal and will also be available on the Lincolnshire County Council website.
3. The Admissions Authority will not consider a repeat appeal in the same academic year unless there has been a relevant change in circumstances.

Fair Access Protocols

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children who live in the home local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full.

Fraudulent or Misleading Applications

1. We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly.
2. As an admission authority we have the right to investigate any concerns we may have about your application and to withdraw the offer of a place if we consider there is evidence that you have made a fraudulent claim or provided misleading information, for example if a false address was given which denied a place to a child with a stronger claim.
3. If a place is withdrawn, the application will be considered afresh and you will be advised of your right of appeal if a place is refused.
