

## Sixth Form Student Agreement

### Personal - I am committed to:

Attending School on every School day and attending every one of my tutor periods, SPR meetings, timetabled lessons and supervised study periods punctually. I understand the importance of tutor periods and that I must attend all lecture periods, enrichment activities and assemblies. Aiming for 100% attendance with no unauthorised absences. I understand that I must complete, and have authorised, a Sixth Form Proposed Absence Form for all planned absences. Sixth Form Absence Guidelines can be found [here](#) .

Wearing my Sixth Form ID card and lanyard at all times, and ensuring I sign in and out of school using the provided School system so that accurate fire safety and attendance records can be maintained. Anyone requiring a replacement lanyard may be charged.

Ensuring that I regular check my email/Satchel One systems for messages and homework.

I understand that I must not take on any paid employment or driving lessons during school hours.

Following the School rules on ICT use, behaviour, drugs and alcohol policies.

Keeping the School free from litter and respecting personal and community property.

Making proper use of those facilities within the School that are provided exclusively for the use of Sixth Form students.

### Academic - I am committed to:

Completing my class work, homework and coursework assignments on time and to the best of my ability. I understand that, at A-Level, a substantial amount of effort is required to make progress and to keep up with the work set. I am committed to my studies and understand that, typically, an additional 15 hours' study outside of School, per week, is recommended.

I understand that I will be expected to use some of my non-contact periods during the School day for private or collaborative study, and that it is my responsibility to direct this and ensure that this time is used productively.

Having a determination to make the best possible academic progress that I can. Developing skills and habits of independent learning. Ensure that all academic work is my own or it has been referenced accordingly.

Responding positively to advice given to me by members of staff.

### Contribution - I am committed to:

Being willing to play an active part in the extra-curricular life of the School and participate in the Personal Development Award.

Being a positive role model for younger students.
