Dear Parent/Guardian

From September there will be a new universal eligibility checking service for free school meals, which will enable us to check all primary and secondary school pupils for free school meal eligibility. This system will also determine eligibility for Pupil Premium, which means schools will receive an extra £935 per eligible pupil from central government to fund valuable support such as extra tuition and learning support.

To help ensure that we are able to claim the correct level of funding, please provide the details requested on the form overleaf and return it to school as soon as possible. Parents do not have to provide this information but even if you do not wish your child to receive a free meal, we would encourage you to register so that we receive as much Pupil Premium funding as possible.

To avoid requesting this information again, Lincolnshire County Council will store your data securely and it will be checked periodically for eligibility.

Meat and vegetarian options are available every day and most dietary requirements can be catered for.

Yours sincerely

Jonathan Maddox
