Documents in this folder for Drama and Theatre:

- **AQA subject specification**
- ***Our Country's Good* Insight pack – created by Nottingham Playhouse for their production of the play. Written by Timberlake Wertenbaker, *Our Country's Good* is your first set text (of 2) and we work on it in Year 12. Therefore, it is particularly useful to read about the background context of this play before the course begins.**
- **Guide to characters in the play – please read for background info.**
- **A level Drama & Theatre glossary of key terms for performance, directing, set, costume, lighting and sound.**
