|---|---|--|
| <p>Britain grew rich from slavery, from trading with the empire and gaining cheap raw materials.</p> | <p>The empire gave opportunities for the British to seek their fortune.</p> | <p>Britain exported (gave to other countries) its culture e.g. sport, arts, science and education.</p> |
| <p>Britain brought Christianity to large parts of the world.</p> | <p>Britain tried to stop many other local religions that had existed before they were there.</p> | <p>Britain's building projects cost huge amounts of money and lives to the local people.</p> |
| <p>Britain helped to build roads, railways, bridges and schools in the empire.</p> | <p>They brought clean water, hospitals and modern medicine.</p> | <p>Many British thought their way of life was best, they ignored local customs and sometimes tried to destroy them.</p> |
| <p>Many British emigrants simply stole land from the natives and killed those that resisted.</p> | <p>The British were racist and treated the native people badly.</p> | |
