

Y9 Assessment: Extended Writing Review

CORE: Read through your extended learning assignment and using different colours:

- Highlight where they have discussed the main points of the question:
 - Advantages and Disadvantages
 - People and the Environment
- Is there evidence/statistics/names of case studies?
- Have they developed (explained) their points?
- Have they made a strong discussion? Do they refer back to the question?
- Write a **WWW** and **EBI** for yourself

EXTENSION: Identify one paragraph of your essay that you think you could improve and then re-write this paragraph in a different colour pen (green, pink, purple)

Think about:

- have you included named examples to illustrate your point?
- did you use the PEEL structure? (Point, Example, Explanation, Link)
- have you referred to a range of advantages and disadvantages for both people and the environment?
