

Period 4

11S PE	Revise for your upcoming mock examinations.
11G/En1 NWG	Those who have not completed their Transactional Writing Assignment should do so in this period. The choice of assignments is available as a message: please select from one of the two tasks designated for G Band. Please complete by hand and bring in to me for Friday's lesson. Those who have completed the Assignment may use the time to revise for Macbeth, An Inspector Calls, or Language Paper 2, as directed.
11G/En2 JAK	Spend 1 hour completing revision activities for English Literature ('Macbeth' and/or 'An Inspector Calls'). These activities should be based on the revision targets you set yourself in Monday's lesson (for 'Macbeth') or last term ('An Inspector Calls'). You will be asked to show evidence of your revision in Friday's lesson. Please complete work at the back of your exercise book or on separate paper.
11G/En3 NAB	Spend the first part of the 30 minutes reading, annotating and responding to the extract question. Spend the next 30 minutes attempting the general essay on the sheet.
11G/En4 JSP	Revise key quotes for <i>An Inspector Calls</i> (Mocks)

Period 5

11S PE	Revise for your upcoming mock examinations.
11G/Bi1 CLP	a) Do attached worksheet – question on limiting factors on photosynthesis (green pen it after doing the question). b) Do exercise question on the second attachment (green pen it after doing the question).
11G/Bi3 RWS	Your biology mock exam is next Monday so the allotted hour slot should be used to revise for this.
11G/Bi4 RRB	Prepare for Biology Mock exams commencing next week. There are materials on the Open Drive for you to direct your study. You may also: <ul style="list-style-type: none"> • Use the end of chapter questions in your textbook • Use the end of chapter questions in your revision guide • Visit PhysicsandMathsTutor for extra Practice questions. • Complete practice questions sent out by Mr Baker by MILK
11G/Ch5 ZES	Can you please use the time that you should be in my lesson on Thursday afternoon to do some useful Chemistry revision for mocks next week.
11G/Ph2 CRL	<ul style="list-style-type: none"> - Make notes from page 208-210 of the textbook. - Answer all questions from page 210 of the textbook. - Make notes from page 212-214 of the textbook. - Answer all questions from page 214 of the textbook. - https://www.youtube.com/watch?v=ZLHgYgEAPhY - https://www.youtube.com/watch?v=drMKdcMq3o0
