

BOURNE GRAMMAR SCHOOL BULLETIN

Week ending Friday 29 September 2023

From Alastair Anderson, Headteacher

The highlight of this week was certainly our House Cross Country and House organised European Bake-Off competition. Despite the best efforts of a nest of wasps (for the second year in a row!) the PE Department was able to marshal two days of running, assisted by Sixth Form and staff volunteers. We are very proud of our running tradition and our students did their Houses proud with their efforts around a 2.5km course. The European Bake Off was a very different event, the effort put into the cakes on display was astonishing and judging so many high-quality entries was a very difficult challenge. Congratulations to all who took part and well done to everyone in raising over £300 for The British Red Cross Libya Appeal on the day.

This week also saw the sixth and final information evening for parents put together over the last three weeks, five being directed at specific year groups with the sixth being the excellent Careers Fair. As I wrote last week, we work hard to promote effective communication between home and school, and this final event organised for Year 12 parents was an apt end to a calendar month full of conversations.

Finally, I would be remiss if I did not wish our chess team good luck as they set off to Eton College on Sunday for a Rapidplay tournament. The Chess Club is flying in terms of its popularity, and I am most grateful to Mr Farrow and Mr Flight for giving up their time to drive the team to Eton and provide this excellent opportunity for all. With Physicists currently in Switzerland and Geographers shortly to depart for Sicily the range of opportunities on offer for our students remains startling.

INTER-HOUSE CROSS-COUNTRY - *Report by House Leaders*

It was a busy start to the week for students in Years 7 to 10 as on Monday 25 and Tuesday 26 September they took part in the annual Inter-House Cross Country races around the School grounds and the Spinney. Overall winners for each year were decided based on the House with the 20 highest-placed finishers in both the boys' and girls' races. It was an all-around victory for Behn who won both the Year 8 and 9 races. Tinbergen came a close second, with Year 7 girls and Year 10 boys running particularly well.

Many thanks to the staff and Sixth Form students who marshalled and all the students for taking part so enthusiastically and trying their best. Congratulations to all individual winners and to the winning teams in each year.

INTER HOUSE CROSS COUNTRY – Report by Chidera Anike and Matilda Chambers, Year 9

On Monday and Tuesday over 1,000 students participated in the Cross Country race to achieve points for their House. Before the race, we were feeling very prepared and were chatting in excitement that we did not even realise that the race had started!

Unfortunately, this meant we had a slightly late start, but we were determined to try our best and not stop running throughout the race. Even though it was quite challenging at times, and we wanted to stop, the support of the marshals helped us through and when we crossed the finish line, there was a big feeling of relief and our legs hurt a lot!

INTER HOUSE CROSS COUNTRY – Report by Oliver Smith, Year 9

PE is not my favourite subject as I am not very athletic, however I really enjoyed having the opportunity to take part with my friends. We supported each other along and stopped each other from walking.

At the end, I suddenly had some motivation and was able to run the last bit, which meant I overtook 7 people when crossing the finish line. It was a really enjoyable experience.

Final Team Results:

	Year 7		Year 8		Year 9		Year 10		Points	Overall Winner

BOURNE GRAMMAR EUROPEAN BAKE-OFF - *Report by Megan Smith and Elijah Ford, Year 13*

Yummy! ¡Delicioso! Lecker! Délicieux! If you entered the Main Hall on Tuesday 26 September, European Day of Languages, and thought that you'd accidentally boarded a plane to a multicultural hub of European taste sensations, you'd easily be mistaken! To celebrate the day, the House Leaders, House Captains and other willing Sixth Form volunteers turned the wooden tables of the Main Hall into miniature cultural explosions, transporting hundreds of student shoppers to the sweet world of European baked goods. In total, over 20 countries across Europe were represented, from French Macarons and Spanish Churros to Polish Piernik and Romanian Caramelised Apple Cake! It was a tough challenge for the judges (Mr Anderson, Miss Grenfell, Miss Creedon and the 6th Form Outreach and Activities committee) to decide on their favourite, winning bakes.

But decisions had to be made and many congratulations go to our Star Bakers of the day: Andrejs Zinkevics, Tobias Poberezniuk, and Max Yu (all Year 7) for their creative and delicious entries (see photos below). These students also won 75, 50 and 25 house points respectively for Meitner and Behn. In addition, the House with the most entries (Meitner) was also awarded 100 bonus points! Many thanks to all the bakers for taking part and showcasing their talents, as well as everyone who supported the fundraising and came to buy some cake!

However, this wasn't just a day about delicious treats. After judging, all cakes entered were sold in a lunchtime cake sale. In total, £300 was raised from this sale and this will be donated to the Red Cross relief appeal to support the response to the floods in Libya and the earthquake in Morocco.

First Place: The Latvian Honey Cake made by Andrejs Zinkevics (Year 7, Meitner) was show-stopping in all of Europe's 24 official languages!

Second Place: Sachertorte proved a sweet Austrian treat from Tobias Poberezniuk (Year 7, Behn)!

Third Place: Max Yu's (Year 7, Behn) 1000-layer crepe cake was, by all accounts, ¡Très bien!

Highly Commended Entries (also awarded house points):

Freya Dahlgaard-Sigsworth (Behn)
Samuel Petz (Meitner)
Bella Atkin (Behn)
Charlie Hurst (Rorschach)

Nicole Mancheva (Behn)
Ben Pennycook (Meitner)
Daniel Mulgrew (Tinbergen)

EXTRACURRICULAR ACTIVITIES AT BOURNE GRAMMAR SCHOOL – *Report by Ms Creedon, Assistant Headteacher*

We have been putting some finishing touches to our extracurricular programme over the last few weeks and almost all clubs and societies are now back in full swing for the 23/24 academic year. Thanks to our staff and students who give up their time to run these activities, we have an enormous array of clubs to cater for a wide range of interests; not only the more 'conventional' activities that you may expect to see, such as music, drama, art and sports, but also 'niche' clubs from darts to beatboxing, Lego to debating – there really is something for everyone.

When students look back at their time at School, participating in extracurricular activities can give them some of their fondest memories and best experiences but the benefits in terms of students' personal development are not to be underestimated either. Joining a club provides an opportunity for our students to boost their confidence, interact socially with others, including those outside their own friendship circle, and it can provide them with an exciting chance to learn new skills and abilities. Above all, lots of these extracurricular clubs offer an important space to have fun and relax away from the pressures of School work. We hope as many of our students as possible can take advantage of the numerous clubs on offer, a list of which can be found at the end of this bulletin or online via our [School website](#).

YEAR 11 NETBALL – *Report by Sasha Milne, Year 12 – Match umpire*

On the 27th of September, the Year 11 Netball team travelled to Spalding to play in the County qualifier tournament.

The team started off the first game with a win against Boston High School, with some key defensive and midcourt turnover in possession, resulting in a 9-2 Win.

They continued this strong defence and midcourt defending form whilst Erin Larter played fantastically well demonstrating phenomenal shooting, to secure wins in all their fixtures today: 8-0 Win against University Academy Holbeach, 8-4 Win against Giles Academy, 9-2 Win against Bourne Academy, 8-2 Win against Spalding High School, 9-0 Win against Spalding Academy and 10-0 Win against Thomas Cowley. This meant that the Year 11s won the tournament and have qualified for the County Tournament to be played on Saturday 11 November.

Well done girls, you all played amazing, and it was a pleasure to come along with you today!

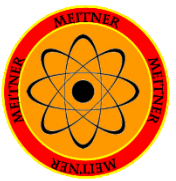

INDIVIDUAL ACHIEVEMENTS

Congratulations to William Pickston, Year 13 on passing his RLSS UK Level 3 Award in Pool Lifeguarding over the Summer.

On Sunday, Charlotte Smith, Year 10 competed in the Eastern Counties Combined Events Championships. The 28 athletes that entered came from Cambridgeshire, Essex, Hertfordshire, Lincolnshire, Norfolk and Suffolk and competed over five events: long jump, 75m hurdles, shot put, high jump and 800m. Charlotte led the field after the long jump, got personal bests in hurdles, high jump and 800m. Charlotte finished 6th overall and won the Cambridgeshire County Championships in the process. Well done Charlotte.

Evie Metcalfe, Year 9 has passed Grade 5 violin exam with distinction.
