

BOURNE GRAMMAR SCHOOL BULLETIN

Week ending Friday 19 April 2024 From Alastair Anderson, Headteacher

Well – here we go... a new summer term and exam season starts in earnest. GCSE language orals have sat centre stage this week alongside Year 7 and 8 assessments, and as the rest of the summer unfolds we will see many of our students sit public examinations. It is a time of the year that brings excitement and trepidation in equal measure, and I hope that students will see these challenges for what they really are: an opportunity to showcase what you have learned and the skills that you have acquired on a journey leads each of you through a unique sequence of doors towards an exciting individualised future. It can be hard to maintain perspective when the pressure is on, but be confident that your best will deliver for you and that there is never a reason to fear what happens next. As a school and community, we wish our Year 11 and Year 13 students in particular the very best of luck over the coming weeks.

I would also like to congratulate all students who took part in the Duke of Edinburgh Silver and Gold practice expeditions over the holiday. Mrs Brett masterminds a wonderful Duke of Edinburgh programme and the popularity of what is on offer is a testament to her hard work and the steadfast support of a team of volunteers and staff. Whether the rain fell or the sun shone I know these outdoor experiences will have been very worthwhile.

Finally, a shout out to the students that led on Culture Week before Easter, an event that has not yet been reported on in the bulletin but which was an enormous success. Student support for a range of activities, and the quality of cultural contributions that featured, was quite exceptional and a credit to all involved. As I have said many times before, we are lucky to have such a dynamic and high performing School community, and hot on the heels of such excellence in Music and Drama, last term's Culture Week was a great way to finish. I can't wait to see how big it might get next year!

YEAR 12 - PROGRESS REVIEW MEETINGS 25 APRIL 2024

BOOKING SYSTEM

The SchoolCloud booking system is open.

You will be able to book up to 10 appointments, each of 6 minutes in duration, and bookings will be available on a first-come, first-served basis. The system will ensure that each video appointment will commence and end at the scheduled time so please ensure you have logged into the system in good time to commence your appointment.

The online booking system can be accessed here.

A login code is not required; the system has been set up using the details of the **Priority 1** parent and your son/daughter's preferred forename (as used in School), surname and date of birth as recorded on our database.

Please ensure only one Priority 1 parent makes the bookings to avoid duplicated appointments. Guidance on how to carry out a video call can be found here.

All queries about online booking should be directed by e-mail to Mrs Hall via prm@bourne-grammar.lincs.sch.uk

The booking system will close on Monday 22 April at 23:55.

EASTER EGG DONATIONS – Report by Mrs Evans

A big thank you to all students and families who have supported the Easter Egg collection for the Amazon Children's Ward at Peterborough City Hospital. We collected around 60 eggs in total which were taken to the hospital and given out to children and their families who are spending Easter in the hospital.

This is such a simple task for us to organise but it makes a huge difference to those who receive the eggs. Thank you again.

HEAD STUDENT TEAM 2024-2025 - Repot by Ms Creedon, Assistant Headteacher

This term has seen the conclusion of a rigorous selection process in order to arrive at Bourne Grammar School's Head Student team for the next academic year for 2024 - 2025. Over a two-day period students were faced with a range of demanding interview tasks and, as is regularly the case at Bourne Grammar School, they rose to the challenge fantastically, making the decision for the interview panel very difficult indeed. My congratulations go to all those who took part and to our new Head Student team below:

Head Students				
Sanjani Mamillapalle	Jack Knowles			
Deputy Head Students				
Harrison Smith	Sasha Milne			
Courtney Pudney	Ben Aldred			
Elizabeth Burrows	Hermione King			
Imogen Leaton	Abigail Heywood			
	Grace Burrows			

The work of our Student Leaders is a crucial part of School life. Working with the Senior Prefects and Student Council, the team will continue to empower students and amplify student voice, drive positive change and help cultivate a sense of belonging in our School community.

I'd like to take this opportunity to express my gratitude to the outgoing Head Student team who have been a superb set of role models and have carried out their duties with unwavering commitment. They have led numerous assemblies, organised academic and pastoral mentoring, confidence-building buddying sessions, talent shows, interform sports competitions, rewards mornings, fundraising events, Culture Week, House events and much more! Always on hand when their help has been needed, they have also led our Student Council magnificently across all year groups, liaising with staff and students to bring about positive change and to improve student experience. Together they've worked very impressively as a team and have given back so much to our School community. My deepest thanks and congratulations to them all

BRITISH PHYSICS OLYMPIAD - Report by Mr Sutherland, Physics

On 1 March we had 51 students complete the Intermediate Physics Challenge as a part of the British Physics Olympiad. This marked the culmination of over a month of preparation including three after school sessions. The level of commitment shown by these Year 11 students is to be commended. The paper sat as part of the challenge is very difficult and stretches even very able students to the limit of their problem-solving ability. Not all students are willing to put themselves in a position where they are challenged so much, and where even scoring any marks on a paper puts them amongst the top physicists of their age in the country. Well done to all who volunteered!

Our Year 12 physicists also took part in the Senior Physics Challenge as a part of the next stage in their Olympiad journey. The paper they sat was excellent preparation for any student who wishes to pursue physics related subjects beyond Sixth Form and had some incredibly challenging questions. Students had to estimate how long it would take to walk to the moon, calculate how many molecules of water from a cup of tea once passed through Julius Caesar and how much earlier a giraffe sees the sun set before a lion! Well done to all participants, regardless of outcome.

CROWN COURT JUDGE VISITS BGS LAW STUDENTS - Report by Mr Mitchell, Law

The Law department, with support on the day from Mrs Shales, was delighted to welcome His Honour Mr Justice Enright to the school to deliver a session with one of the Year 12 Law groups. An experienced Circuit Judge, he sits to hear serious criminal cases in the Crown Court. He brought his Crown Court wig and his ceremonial wig to show to the students.

In a wide-ranging and fascinating talk, Mr Justice Enright encouraged the students to engage in a discussion about legal careers; he introduced a series of criminal cases and asked the students to assess whether the correct sentences had been given to criminal offenders; and he revealed to the students why he was passionate about the law, referring to the importance of the rule of law and human rights, and explaining a family link to the Anglo-Irish War (1919-21) that underpinned his points.

The students had an opportunity to ask the judge some questions about his views and experiences, with Hope Tivey asking a memorable last question about whether he had ever sent the "wrong person" to prison, which led to a very reflective response from the judge about crime and punishment. It was a fitting end to an excellent session, one that students will remember for years to come.

The Law students must be commended for providing such an exemplary audience for the judge; they listened intently to every word, and responded very well when put on the spot for their views.

Mr Justice Enright has very kindly supported some BGS Law students with judicial shadowing opportunities, and he is hoping to return to the school to deliver a session for the other Year 12 Law group. The Law department has very good links with local courts and with local practitioners, and is always open to forging further links with other legal professionals and those involved in law enforcement in the area.

Thank you to Mrs Shales, Head of Sixth Form, and Mrs Elliot, Careers and UCAS Coordinator, for supporting the organisation and delivery of this event.

LINCOLN UNIVERSITY, CREATIVE FORCES TRIP - Report by Arthur Turner, Year 8

On Tuesday 26 March I had the opportunity, together with students from different year groups, to visit Lincoln University for a 'Creative Forces' day. This day was organised for students who have a member of their family who is currently serving or has served in one of the Armed Forces.

When we arrived at the University, we were taken into a lecture room with students from other schools and we were given sheets of paper with lots of questions which required us to go and speak to different people in the room and find out about them and their experiences of the Forces. I personally found it quite enjoyable as I got to meet a lot of new people from different schools and learnt how they were affected by being Forces children.

Next, we were taken for a tour of the University grounds where we learnt about all the different buildings and the subjects you could study there. I thought this was the best part of the trip as we actually went inside some of the buildings and I got to sit in a room that was designed like a courtroom for anyone who wanted to study Law - it felt so real sat there like I was in a proper courtroom!

After lunch, which was thoughtfully provided by the University, we went back into the lecture centre and did an exercise looking at possible career paths in the future and we filled out a sort of 'future job planner' thinking about what we might need to do in order to have a certain career in the future.

Overall, the day was very enjoyable as I learnt new things and the trip completely changed my opinion of what university might be like in the future and made me consider whether it would be a good option for me. It was also beneficial to meet other students from a similar background and have time to talk to them and hear about their experiences.

HOUSE NETBALL - Report by House Leaders

Monday 18 March saw the first day of the annual House Netball Competition and the Year 9 and 10 students certainly started off the week with a bang! Over the course of the week, we had matches from Year 7 through to Year 12 taking place with lots of students getting involved and cheering their peers along for a win for their house. The Year 9 and 10 match on the Monday saw some high quality netball but Rorschach took the victory, winning all of their matches.

The Year 8s came with lots of enthusiasm on the Wednesday and both Behn and Tinbergen dominated the courts for the second day. Next up were the Year 7s who showed a lot of promise and skill but Tinbergen were the stand out team, winning all of their matches that day.

The final day was the most competitive of days without a doubt, we had the Year 11 and Year 12 matches. It was close between Behn and Rorschach but Behn managed a final victory at the end winning all of their matches.

Overall winners for each year were decided based on the total of wins, with each house scoring 2 points for a win, 1 point for a draw and 0 points for a loss. **It was an all-round victory for Tinbergen House**, with Tinbergen taking the Year 7 and Year 8 competitions. Many thanks to the Year 12 students and House Captains who volunteered to umpire the matches and all the students for taking part so enthusiastically and trying their best. Congratulations to Tinbergen House!

NETBALL UPDATE - Report by Ms Bradley, PE

YEAR 8 SOUTH LINCOLNSHIRE NETBALL LEAGUE CHAMPIONS!

On Tuesday 19 March, the Year 8 Netball team secured their league title with a comprehensive win against Spalding Academy. This had followed impressive victories against Bourne Academy and Spalding High School over the last couple of weeks of last term.

The team have worked so hard and made so much progress this season, it's been really impressive. I'm very excited to see what they can do as U14s when they'll have the opportunity to represent their County!

YEAR 8 REDS - MATCH REPORT BY SASHA MILNE, YEAR 12

Our Year 8 numbers at netball training have been really impressive all year, with so many students committing each week and improving their skills, so it was brilliant to welcome Bourne Academy in a match against our Year 8 Reds last term.

In the first quarter, we were forming the combinations along the court and started to get some lovely passages of play. During the rest of the game, we built upon those connections and got better and better. Within the game defence was amazing, turning over lots of ball throughout the court, giving our shooters lots of opportunities to score, in which our attackers took the opportunities to do so. Well done all of you for your amazing work and commitment you put into the entire game, and it was an amazing win 9-7!

YEAR 11 NETBALL TEAM ARE SOUTH LINCOLNSHIRE LEAGUE CHAMPIONS FOR THE 5TH YEAR IN A ROW!

This Year 11 Netball team are incredibly special. They have all shown outstanding commitment to Bourne Grammar throughout their 5 years, culminating in an impressive set of results. They have won every South Lincolnshire tournament, won the league each year (without losing a single match) and as U14s they made it to the Regional Finals where they represented themselves incredibly well. They also made it to the final 32 of the National Sisters 'n' Sport tournament this year.

It has been a pleasure to coach such a hard-working team, and it has been a joy to see how much their netball has progressed and flourished through the hours they have spent training at various levels including club and county. It felt appropriate that they won their final league game 42-10, playing some stunning netball throughout. As league champions they will now have one final match together against Giles Academy for the title of Superzone Champions.

I'd like to say a huge thank you to the whole team for a brilliant 5 years. I look forward to working with many of them in the Sixth form team, and wish those who will be leaving all the best in their new ventures!

NETBALL SUPERZONE FINALS - Report by Ms Bradley, PE

Having won their respective South Lincs leagues, the Year 7, 8, 10 and 11 Netball teams travelled to Boston High School on Weds 17 April to compete in the Super Zone finals. Match reports below:

Year 7 are Superzone Champions! - Report by Jess Richardson, Year 7

On Wednesday 17 April we travelled to Boston to play Giles in the Year 7 Superzone finals.

After a long warm up we were ready to play and hopefully win. In the first quarter we kept our composure and then throughout the game we swapped our positions until we found the right rhythm.

Continuing on in the game, our defence was strong, turning over lots of balls. This meant that the centre court were able to carry lots of balls down court into our attacking end. This allowed the attackers to get the ball into the D and for the shooters to be able to have lots of opportunities to shoot their way to victory. We managed to carrying this on throughout the game, leading to an amazing win of 36-5. This means we are now Superzone Champions! Well done everyone!

Year 7 Squad: Olivia Laud, Zina Nwamarah, Sofia Christoudias, Sophie Alliston, Jess Richardson, Juliette King, Jessie Desborough, Lucy Cottam.

YEAR 8 ARE SUPERZONE CHAMPIONS! - Report by Darcie Trawford, Year 8

On Wednesday we arrived at Boston High School after a long journey, excited but nervous about the super zone finals ahead of us. After a quick warm and a great first quarter we were winning 16-1 thanks to some amazing shooting from Georgia Summerfield and great feeds from Emily Wright-Lakin. At half time we kept on persevering and continued to add to the score. We kept our composure as the oppositions picked up their game in the third quarter but Ellie Moore, Amelia Giblin, Ruby Taylor-Dobson and Josie Thurston brought it back with their amazing intercepts. After the last quarter the final score was 38-5 making the Bourne Grammar girls super zone champions. Overall, the team pulled together to get another win in the bag. Well done to the year 8s!

Year 8 Squad: Amelia Giblin, Ellie Moore, Ruby Taylor-Dobson, Josie Thurston, Emily Wright-Lakin, Imogen Southwood, Bri O'Boyle, Isla Cummins, Bea Amos, Darcie Trawford ©, Georgia Summerfield

YEAR 10 ARE SUPERZONE RUNNERS-UP - Report by Alice Jones, Year 10

Today the year 10s went to Boston High School to compete in the Superzone Final for their last match of the season. We had qualified for this by winning our league just as Boston High had done. The weather was cold but the girls powered through and tried their best despite this. Unfortunately, although we were drawing in the first two quarters our competition got the high ground and used their turnovers efficiently to get ahead. We eventually lost 28-15 but we played to our fullest potential with the support of our teachers and of each other. With our shooters Georgia Herrick, Sophie Gombault and Macey Hemmings, they persevered with the help of our centre and wings: Lois Watson, Charlotte Smith, Grace Miller and Tilli Moss, and our defenders giving it their all: Alice Jones and Anna Calvert (who played with an injury). Well done to everyone, and to all the teams who played today!

Year 10 Squad: Charlotte Smith, Alice Jones, Lois Watson, Georgia Herrick, Sophie Gombault, Anna Calvert Tilli Moss, Macey Hemmings, Grace Miller

YEAR 11 ARE SUPERZONE CHAMPIONS! - Report by Miss Bradley

This was going to be the last ever netball match the Year 11s would play together and as defending Superzone Champions, it was all to play for. Unfortunately missing Annie Hayes and Millie Herrick, our centre court was light but Poppy Fasulo stepped up moving out of defence to fill in as WA and Flo Dexter demonstrated superb stamina to play an entire game at Centre.

After a long warm-up in biting cold winds, the Year 11s finally got underway and immediately demonstrated their brilliant attacking play. Erin Larter used great agility in the D to constantly get free of her GK and making excellent shots despite the cold. Pulling away into a quick 4-0 lead, our defence was dominating with Emma Dennis blocking the GS out of the D and Lucy Taylor timing her intercepts beautifully to prevent Giles building any momentum. Their GA was one of their best players, but our fantastic captain Tula Harvey marked her out of the game and also initiated many of our attacks with some incisive passing.

As the game continued, Giles stepped up a gear but it was no match for the Year 11s with Bella Burton making dynamic moves in the D and Evie Griffin putting in a performance that earned her the opposition's Players' Player Award. Poppy and Flo worked tirelessly in the second half to move the ball to our shooters and BGS were crowned Superzone Champions with a 29-5 victory!

Year 11 squad: Emma Dennis, Lucy Taylor, Poppy Fasulo, Tula Harvey, Flo Dexter, Evie Griffin, Erin Larter Bella Burton

We would also like to say a massive thank you to Sasha Milne, Year 12 for her commitment to the Year 7&8 Netball teams and for giving up so much of her time to umpire games throughout the season for us.

LINCOLNSHIRE SCHOOLS OXBRIDGE CONFERENCE – Report by Abigail Heywood and Atiksh Agnihotri, Year 12

On Friday 15 March, a group of students in year 12 travelled to Lincoln for the Lincolnshire Schools Oxbridge Conference. It was a valuable opportunity to learn skills helpful to applying to any university – not just Oxbridge. Many subject talks were on offer. We learnt interview skills, CV skills, tips for moving away and much more. Here's what some students have to say about the day:

'In history, we were introduced to the history application process, including written work and HATs, as well as what life is like studying history at Oxbridge. After the session, my decision to study history became more certain'.

'Computer Science was one of the most informative talks, guiding us through the course content to show us the difference between studying a STEM subject at Oxbridge and other universities. We had the opportunity to speak to Alex Chadwick, a senior postdoc researcher who also helped design some admissions test, as well as a first year undergrad'.

'The talk for medicine was really helpful in informing us about taking medicine and gave us important information on the UCAT exam such as how to book the exam and then prepare for it.'

HISTORICAL EASTER EGG COMPETITION - Report by Year 12 History Prefects: Grace Burrows and Emma Smith

We are delighted to announce the winner of the Historical Easter Egg competition as Evelyn Bostok, with her outstanding entry recreating Elizabeth I as pictured below. A huge congratulations to our runners up, Rebecca Board with her masterpiece of Henry VIII's 'eggs-wives', and Peyton Teague's depiction of Alexander and Eliza Hamilton, whose entries secured them 2nd and 3rd respectively.

We were immensely impressed with the standard of entries, judged on both creativity and historical accuracy, making the decision incredibly hard.

Highly commended must also be awarded to Sashwat Thiagarajan, Harrison Grief, and Freya Dahlgaard-Sigsworth for some brilliant creations. A huge thank you to everyone involved.

1st place: Evelyn Bostok 2nd Place: Rebecca Board 3rd Place: Peyton Teague

INDIVIDUAL ACHIEVEMNTS

Romilly Sondh, Year 7 passed Grade 3 Violin with Distinction. William Mitchell, Year 7 passed Grade 1 Piano with Distinction.

HOUSE TOTALS

BBL CHAMPION AWARD - Mr Hewitt, Deputy Headteacher - Academic

Andrew Lucas in Year 13 is this week's BBL Champion reflecting his outstanding independent work. Andrew has devised an incredible revision system using the Anki app. He has produced decks of flashcards for every topic of every A-level he is studying (Law, History and Business), and it is all clearly ordered. His Law teacher, Mr Mitchell, says; 'It is very inspiring to see – I think there are over 2000 flashcards for Law alone! He has delivered short sessions for each of my Law groups illustrating this method and he has generated a great deal of interest among his peers'

Well done to Andrew – we wish him the very best of luck in the forthcoming exams.

YEAR 11 REVISION SESSIONS

Please find below the revision timetable for next week. Year 11 students can choose the session they'd find most useful and simply turn up. No booking is required.

Not all subjects are listed; some, such as Mathematics, are offering bespoke lunchtime revision sessions and details have been communicated to students directly. All revision sessions will finish at 16:30.

	Monday 22 April	Tuesday 23 April	Wednesday 24 April	Thursday 25 April
Subject	Geography	Art	EPR	English
Room	G1 (Miss Pollard)	Art 2 (Mrs Welling and Ms Wright)	EPR3 (Mr Tighe)	E8 (Miss Roberts)
Revision Topic	Fieldwork	External Exam Unit – Preparatory Work	Christianity: Reconciliation	Literature: How to plan and write a successful general essay response
	Monday 22 April	Tuesday 23 April	Wednesday 24 April	Thursday 25 April
Subject	Design Engineering	French	Computer Science	Music
Room	DE1 (Mr Dougall)	MFL3 (Mrs Cowell)	CS2 (Mr Brown)	MU1 (Mr Tomlinson and Mr Jones)
Revision Topic	Coursework/NEA catch up	Writing Skills: Translating into French 2	Exam Technique – Don't lose easy marks	Coursework catch up
Subject History		German (Lunchtime)		
Room	H1 (Dr Barmby)	MFL6 (Ms Raebel)		
Revision Topic	Edward I – Government (land, statutes, Burnell and Parliament)	Speaking		
Subject	Spanish	PE		
Room	MFL Classrooms			
Revision Topic	Speaking Practice	No Session		
Subject		Drama (Lunchtime)		
Room		Drama Studio (Mr Moxley)		
Revision Topic		Blood Brothers – 20 mark responses
